39th Annual Report

The Thirty-ninth Annual Report contains very interesting information on the work of the Hospital, and it is pleasing to note that the financial position again shows an improvement—an increase in ordinary income of nearly £250; whilst the total expenditure remained at a similar figure to 1935.

On the 1st January, 1936, a balance of £223 was due to Barclays Bank, but the Whitby Cottage Hospital Linen League Committee transferred this amount from their funds on loan, and thus saved payment of Bank interest on the overdraft. The total amount now due to the Linen League is £449 13s. 2d. Against this we have cash at Bank and in hand amounting to £159 19s. 2d., so that the debit balance of the accounts is £289 14s., against £424 13s. 2d. at the end of 1935.

It is impossible to attempt to give in any detail particulars of the work which is carried out at the Hospital by the Medical and Nursing Staff, and only those in close touch with the Hospital can realise its many ramifications. Suffice it to say that everything possible is done for the comfort and well-being of the patients, and that the reward is to be found in the many cases of complete recovery. The value of the Hospital to Whitby and the District cannot be overestimated, but it is becoming increasingly obvious that the accommodation is insufficient to meet the demands. There is all too frequently a long waiting list, and there is a considerable and steady increase in the number of out-patients.

Further improvements to the present building and new equipment are constantly required and, as far as circumstances will permit, are provided. Considerable expense will shortly be entailed in the provision of modern laundry equipment.

The installation of a modern Cooking Range and the purchase of a new Anæsthetic Stand, complete with gas and anæsthetic apparatus, has added to the expenditure of the past year, but both these items were greatly needed. The Operating Table, in the Out-Patients' Receiving Ward, ought to be replaced with a modern Operating Table. A Portable X-Ray Set is also on the list of requirements, with

many other items of equipment and furniture. The people of Whitby and District (who are ever ready to respond wholeheartedly to calls in aid of the War Memorial Cottage Hospital) are again reminded that the 20 beds are below the average necessary requirements. Whilst the Committee fully realises the necessity for more extensive accommodation, this can only be made possible by raising a very substantial sum of money both for the extension of the building and for the additional cost of upkeep.

The Committee is most grateful for the valuable services rendered by the Hon. Medical Staff, the Matron (Miss Bowker), and the Nurses; the members of the St. John Ambulance Corps; Toc H., the Ladies' Committee, the Linen League Committee and Officers, the Hon. Treasurer (Mr. E. Frankland), and the Hon. Auditor (Mr. Charles Wright, C.A.).

The death of Sir John Harrowing, President of the Hospital, is a great loss to the Hospital. Sir John has always taken a keen interest in the management, and has been a generous donor on several occasions. It will be remembered that the Operating Theatre was provided by Sir John Harrowing, with all equipment, as a Memorial to his son, Captain John Stanley Harrowing, who fell in the Great War.

We also regret to record the loss by death of the following supporters:—Mr. Jefferson Suggit, for many years Hon. Auditor; Mr. George Easton, a member of the House Committee; Dr. C. F. Burton, a member of the original Medical Staff; and Captain John Milburn, a Vice-President.

The Hon. Legal Adviser, Mr. V. Seaton Gray, has resigned this position, owing to his appointment as Clerk to the Whitby Urban District Council. The Committee desires to express its thanks to him for his services during his term of office. Mr. K. G. R. Bagshawe has been appointed to fill the vacancy.

At a meeting of the Management Committee on 5th November last, the Rev. M. A. Cooper-Horsfall and Mr. T. M. Turnbull were added to the list of Administrative Trustees.

In recognition of valuable service to the Hospital in various ways, the Committee nominate as Life Governors:—Mrs. E. Baines, Mrs. E. A. Budgen, Miss H. M. Harrowing, Mrs. G. Marwood, Mrs. E. Willis, Mr. S. B. Ellison, Mr. E. Frankland, Mr. W. M. Galleway, Mr. Eric Milburn, and Rev. G. M. Storrar, B.A.

Legacies from Miss Grace Granger, of Robin Hood's Bay, £94 11s. 10d.; Mrs. Hannah Mary Hutchinson, of Sleights, £100; Mr. Thomas Warters, of Bagdale Mount, £1,000; Miss Hannah Maria Maling Westall, of 9, St. Hilda's Terrace, Whitby, £342 17s. 10d., have been received and invested.

Employees' Collections.—During the past year several more firms have decided to fall in with this scheme of collection, and have arranged for a weekly deduction to be made from wages. We hope that other firms will follow suit.

The Committee desires to thank all donors, contributors and subscribers, the promoters of benefit performances, collectors, and all those who have in any way helped the cause of the Hospital during the past year.

The regrettable absence through long illness, of the Rev. Canon F. M. Sykes, Chairman, has been deeply felt by all members of the Committee, who sincerely hope that he will soon be permanently restored to better health.

Nursing.—The affiliated training scheme is proving a great success. Year by year an increasing number of Nurses is transferred to Ancoats Hospital, Manchester (affiliated training school) after passing the Preliminary State examination.

Lectures and clinical teaching are given daily in preparation for the examination, and our thanks are due to Mr. James A. Fraser, F.R.C.S., for his interest in the training of the Probationers and his lectures on Advanced Anatomy. Our thanks are also due to Miss Sharp (Cookery Mistress) for her lectures and demonstrations on Sick Cookery; and to Miss Coates for her examination of the Nurses taking these lectures.

We should be grateful for donations to buy the amount of equipment needed, such as wall charts, extra models, reference books, etc., to maintain our standard of training and efficiency.

We much regret that we are losing the services of Miss Brodrick-English, who has collected for the League since 1930. She, with the help of her Sub-Collectors, has done excellent work in Sleights, which includes a wide district. We are deeply grateful to her for devoting so much time to the services of the League. Miss Brodrick-English took over the work on the death of Mrs. Brodrick-English. Miss Phyllis Moxon has taken over this district.

The following is a list of articles contributed during the year :—12 sheets, 23 bath towels, 42 face towels, 68 pillow cases, 22½ yards huckaback. Roller towelling. 1 bed jacket, 1 counterpane, 1 white quilt, 1 roller towel, 1 tea-cloth, 1 length calico, 1 bolster case, and old linen.

FORM OF BEQUEST.

The following form of bequest is suggested for the guidance of those who may wish to aid the Charity by Will.

“ I bequeath to the Treasurer for the time being of the Whitby and District War Memorial Cottage Hospital the sum of £ free and clear of legacy succession and estate duty, and of all other deductions, for the general purpose thereof, to be paid within calendar months next after my death without interest. And I declare that the receipt of the Treasurer for the time being of the said Institution shall be an effectual discharge for the said legacy, and that such receipt shall effectually exonerate the Trustees or Trustee for the time being of my Will from seeing to the application thereof.”

Or in the alternative if Testator prefers an Endowment.

“ I bequeath to the Treasurer for the time being of the Whitby and District War Memorial Cottage Hospital the sum of £ free and clear of legacy succession and estate duty, and of all other deductions, to be paid within calendar months next after my death without interest, and to be invested on permanent security, and the income of the investments to be applied by the Management Committee for the time being of the said Institution annually, and not by way of anticipation to the general purposes of the said Institution in such manner as the said Committee for the time being of the said Institution may deem expedient. And I declare that the receipt of the Treasurer for the time being of the said Institution shall be an effectual discharge for the said legacy, and that such receipt shall effectually exonerate the Trustees or Trustee for the time being of my Will from seeing to the application thereof.”
